

Southeast Texas Dulcimer Friends

Meeting the second Saturday of each month
Rosedale Baptist Church, 7110 Concord Road, Beaumont, Texas
1:30 – until

August 2010

From The Prez:

One of my favorite plays of the year is coming up soon. It is our best opportunity to personally thank the members of Rosedale Baptist Church for allowing us to meet in their building.

Please make every effort to attend our annual concert for Rosedale which will be on Sunday, September 12, at 5:00PM. Please arrive by 4:30 PM in costumes so we'll have time to tune up and practice a bit before it starts. This year we will be joining them in a fellowship sandwich supper after the concert. We'll be bringing the sandwiches and the drinks. Rosedale will bring the chips, dips and deserts.

We will practice the concert playlist at our regular meeting on September 11. I hope you can all join us this year.

Let's jam!!

Darrell's Dulci-News:

We have had a whirlwind of plays the past month. We played for John French, Silsbee Oaks, Lucas House, Beaumont Health Center, Lumberton First Baptist Ladies, Maplecrest Baptist and Holiday Pines. Our music has always been well received, and we are already getting requests for Christmas plays. We are beginning to have more players show up and play. The Silsbee play, mentioned above, had 17 players!

Hazel's Notes:

. Get out those Christmas tunes and start practicing! The Christmas holidays will be here before we know it. To those of you who do not have the

Christmas tunes, let me know about it so I can be sure you get them at the next meeting.

I will not be teaching a tune at the September meeting. We will need to use that time to practice on the tunes we will be playing for the Rosedale Baptist Church play. We want to do a good job of playing for them, so it is best to use all the lesson time to practice. Please, if you can, to be at the September meeting for the practice. We need all of your help in presenting a good play for the church.

Hazel Hall

Life may not be what you hoped for, but while you are here, you might as well play the dulcimer!
